

Good Morning

April 12, 2015

Have attended a few workshops and have been working with District 1 to help get there work in P.I. started. Also was here for the Winter Ass. The delegate workshop and help with committee to share with Drew, what we had discussed about the conference in New York this year. We had a lot of talk and shared with in the group. Am looking forward to the upcoming conference in Fon du Lac.

Will be setting up there. Hope to be there the whole weekend. *Spoke in Trem. group*

I'm the DCM for District 12 which covers Washington County, ^{about 36 groups} Our district meeting is always the first Wednesday of every month. We currently have a monthly open meeting which is the second Saturday of every month. The groups in District 12 take turns hosting the open meeting. The open meetings are well attended. We are currently looking into changing our hotline. We do have some vacant positions, which has left our previous treasurer still performing those duties. Our annual District picnic is in jeopardy due to that position being vacant. I'm currently visiting the groups to promote service work with the hope of getting people excited to get more involved in service. We also have weekly meetings at the Washington County Jail. District 12 is also co-hosting with District 34 the 2016 Area 75 Spring Conference in May.
