Alcoholics Anonymous in Southern Wisconsin

Bridging the Gap Volunteer Sign-up Sheet

for members willing to be temporary contacts

Bridging the Gap is the hand of Alcoholics Anonymous reaching out to those in need of help. This is basic 12-Step Work. When newcomers leave institutes - typically correctional facilities or treatment facilities - the Bridging the Gap program can have a temporary contact available in their home town. This temporary contact introduces the newcomer to life in recovery outside of institutes. He or she takes the newcomer to meetings, introduces them to others in recovery, and in general helps the newcomer to start their life of recovery in the real world.

If you are willing to be a temporary contact, give your name, District, telephone number, and sobriety date to your local Bridging the Gap Committee. It is suggested you have at least one year of sobriety. Please note if you speak other languages.
