Describe your proposal (Attach any supporting documentation)

Adopt a revised version of the Area 75 Assembly Action's Appendix E, Attachment 5 – Financial Support of Area Officers, as set forth in the attachment to this proposal.

The new version set forth in the attachment would replace the existing version of Area 75 Assembly Action Attachment 5 in its entirety.

The attached proposed revision includes endnotes that would be excluded in the final version published in the Area 75 Assembly Actions. The endnotes document the proposed revisions in detail but are not necessary when the text is transferred to the Assembly Actions.

List the primary benefits of your proposal to the area.

The proposed revision clarifies what expenses are reimbursable by providing an all-inclusive listing of reimbursable activities for each of Area 75's trusted servants in a single comprehensive document.

Summary of changes made:

- Reimbursable expenses were consolidated to single document combining the reimbursements contained in the Assembly Actions, Area Handbook and the appendix Financial Support of Area Officers.
- Current reimbursement practices that had not been previously documented have been added.
- The sections General, Budgets and Oversight were added to summarize the budgeting and oversight policies as detailed in Assembly Actions, Chapter 5 – Area 75 Business Practices, Subchapter B. Area Budget & Finance.
- Reimbursement for participation in District Meetings clarified to mean District Meetings in Area 75.
- Reimbursement for participation in workshops and mini-conferences clarified to be those events sponsored by Area 75 or a District within Area 75.
- Ad hoc & Conference Committee moved from beginning of document to end of document to improve readability.
- Comprehensive reimbursement policy for the following positions added:
 - Alternate Chairperson
 - Alternate Secretary
 - Alternate Treasurer
 - Archives Chair
 - Archivist
 - Cooperation with Professional Community Chair

- Corrections Chair
 - Literature Chair
 - Public Information Chair
 - Special Needs Chair
 - Treatment Chair
 - Grapevine Chair
 - Registrar
 - Webmaster
- Endnotes are included provide details of what was added, changed or deleted. These endnotes would not be included in the final version published in the Assembly Actions.

Estimate any funding required. Outline where funding would come from. Explain whether this is a one-time or ongoing expense.

- No additional funding required as updates to Assembly Actions are a budgeted item.

General

1. Area Officers and Committee Chairs will be reimbursed for any reasonable expense incurred as a result of performing general service work that falls within the scope of their service position as defined in the *A.A. Service Manual, Area 75 Assembly Actions, Area 75 Handbook* or other A.A. service literature.¹
2. Area Officers and Committee Chairs will be reimbursed for mileage at a rate set forth in the *Assembly Actions*.²

Budgets

1. Area 75 Officers and Standing Committees will submit a yearly budget at the beginning of each year. The budgets are submitted to the Area 75 Treasurer. The budget should be within 10% of the previous year's budget. If it is not, then the budget should come before the Area 75 Assembly for approval. Until budgets are submitted and approved, the current year's budget will remain the same as previous year's budget.³
2. Area Officers and Committee Chairs are to manage their expenses in a manner that is consistent with their approved budget.⁴
3. If, at any time during a given year, a need for additional money arises, the Committee Chair or Officer must present the need to the Finance Committee and then, with the Finance Committee recommendation, to the Assembly.⁵

Oversight

1. The Finance Committee has responsibility for overseeing all financial concerns of the Area Committee including the reimbursement of funds to Area Officers and Chairs.⁶
2. The Finance Committee can, by simple majority vote, deny reimbursement of any expense it deems inappropriate but the impacted officer or chair has the right to appeal the Finance Committee's decision by bringing the matter before the Assembly.⁷
