Annual
2014 Area 75 Spring Conference

Final Report

This is the second area conference that I have had the opportunity to chair and once again it was an honor to serve.

I need to commend the Committee Chairs. We made a great team and they all did an exemplary job.

This conference committee took some initiative and was able to offer on line registration. I have reported on this separate item previously but would like to share that it was not difficult to do and 1/3 of our registrations came through this process. There were NO additional costs to the area and as far as I know there were no anonymity issues. This was, in our humble opinion, a successful addition to the registration process.

We had 410 registered guests, 203 banquets sold and 100 breakfasts. We met the contractual agreement with the Hotel, although it came right down to the wire. Frankly, we were disappointed in the lack of participation from guests outside of the Racine area.

The conference was a success and if you joined us I trust that you enjoyed yourself. The panels and speakers were outstanding as was our guest from GSO, Clay R.

I cannot say enough about the staff at The Racine Marriott. They went above and beyond what would be expected in helping to meet the goals of the conference.

All the bills are paid. All of the seed money has been reimbursed to the Area and we ended with about \$1,250.00.

Any other comments would be unnecessary embellishment. It takes a lot of time and effort from a lot of people to pull off an Area Conference and I am grateful that I could be a part of this one.

Peace

2016 - 65th Area 75 Conference - May 20-22
District 34 Report

Hello everyone,

I am pleased to report that all planning committee chair and co/chain (ALT.) positions are filled. We have had 6 planning meetings and are on suggested schedule from Area 75 conference guidelines. A special thank you in remembrance of Joan Johnson's service as Conference Advisor and thank you to Nancy Horne for continuing to help as Conference Advisor. We have selected our theme "Happy, Joyous and Free" and logo the "butterfly". We have produced the "Save The Date" poster/flyer. Our next planning meeting will be November 9th, 2 PM at the Northwest Alano Club, Good Shepherd Church, Menomonee Falls, WI

Yours in service,

Jim R.
